Houghton Lake Junior Miss

The fourteen Houghton Lake Junior Miss contestants introduced themselves to the Rotary Club of Houghton Lake on October 13, 2003. Then they practiced answering a randomly-drawn question, much like what they will have to do during a segment of the program.

The following is a list of the girls' names, the talent that they will be performing for the program, and their future college plans:

Alyssa Kunik—Piano performance—Attending Central Michigan University to study Elementary Special Education,

Becky Homan—Singing—Attending Kirtland Community College to study Nursing,

Cybil Stuck—Piano performance—going to study Political Science and Linguistics,

Danielle Marquedant—Trumpet performance—Attending Central Michigan University to study Music Performance,

Kristin Long—Piano performance—Attending Taylor University to study Music Education,

Jamie Goodwin—Singing—Attending Lake Superior State University to study Business Management,

Kate Lepper—Dancing—Attending Michigan State University to study Secondary Education,

Jennifer Wagner—Singing—Attending Kirtland Community College then University of Michigan to study Pediatrics,

Art then proceeded to ask the girls a couple of trivia questions. The first question was "Who in the room is a former Junior Miss contestant?" Nobody had the right answer, which was "Wendy Turner". He then asked, as Rich Saterlee listened intently, "If you were principal for a day, what would you change in the school?" The answers were 1) implement an afternoon nap time, 2) have longer lunch hours, and 3) provide opportunities such as the ropes course to all students, not just selected groups.

The Houghton Lake Junior Miss program is on Saturday, November 8th at 7:30 p.m. in the High School Auditorium. The tickets are \$10 each and can be purchased at the Chamber of Commerce, the High School office, or from Jan Manley.

Service Above Self

- 1) Is it the truth?
- 2) Is it fair to all concerned?
- 3) Will it build good will and better friendships?
- 4) Will it be beneficial to all concerned?
