#### CLUB SERVICE

#### COMMUNITY SERVICE

#### INTERNATIONAL SERVICE

PROGRAMS AND ACTIVITIES TO ADVANCE INTERNATIONAL UNDERSTANDING, GOODWILL AND PEACE. MEETING HUMANITARIAN NEEDS OF PEOPLE IN MANY LANDS

Dear Fellow Rotarians,

January is Rotary Awareness Month. Awareness is an important part of Rotary work. It is imperative that members are well aware of Rotary's goals. Rotary is an organization that works for peace and better understanding between people. It is also important to know our annual emphases. This year, we are working extensively with literacy; water management, health, and hunger; and finally, public image. We have three resource groups in place to support governors, districts, and clubs within these three areas.

We must also be aware of Rotary's extensive youth programs. Interact is for young people ages 14 to 18 and Rotaract is for young adults ages 18 to 30. We have a very popular youth exchange program for high school students and several programs offering university scholarships. Rotarians can also offer a Rotary Youth Leadership Awards (RYLA) program and a Group Study Exchange for young people.

It is important that we all know that there are 1.2 million Rotarians in 168 countries. We have a head office in Evanston, Ill., USA, and regional offices in Brazil, Europe and Africa, Japan, Korea, South Asia, Southern South America, and the South Pacific and the Philippines—all there to serve Rotarians. Rotary International is led by the 17 members of the RI Board of Directors, chaired by the RI president.

Rotary International's finances are totally separate from those of The Rotary Foundation, through which most of our project money is channeled. The Foundation has its own Board of Trustees, headed by a trustee chair.

Another part of Rotary awareness is the sharing of information outside of our organization. Rotary is a group of leaders with a superb network. It is time for us to let the world know about all the good things that we have accomplished over so many years. Rotarians have the opportunity to create—and must create—awareness regarding world problems and how they can be solved through cooperation and continuity. We must help in creating awareness of the United Nations' Millennium Development goals and targets related to education and drinking water and sanitation:

- ◆ To ensure that by 2015 children everywhere, boys and girls alike, will be able to complete a full course of primary education
- ◆ To eliminate gender disparity in primary and secondary education, preferably by 2005 and at all levels by 2015
- ◆ To reduce by half the proportion of people without sustainable access to drinking water by 2015
- ◆ To reduce by half the proportion of people without access to adequate sanitation by 2015

Through *Service Above Self* we can all create awareness both internally and externally, thus showing the world the great leadership of Rotary International.

Carl-Wilhelm Stenhammar  
President, Rotary International

**HL Rotary news:**

- Classification speeches will be done each week by the person who has the program for that week. A suggested outline is available and will be given to the person a week ahead of time. This is a good way for everyone to get to know each other.
- The Club is sponsoring this year's Wertz Warrior Reception to be held on Sunday evening, January 29th. The Club has 10 tickets which normally sell for \$15 each. The Club has decided to sell them to Rotary members for \$10 each (while they last) and donate the proceeds to the Wertz Warriors. See Bert for details and for tickets!
