DISTRICT 6290

Dear Fellow Rotarians,

When I planned for my travels during my year as RI president, I decided that intercity meetings would be the most effective way to meet Rotarians. I urged clubs in a city or a region to merge their weekly meetings into one evening meeting. I offered to be the main speaker and to mingle with Rotarians before and after the event. I also planned to visit areas where a president had never been or had not been for a long time.

I had great expectations for these meetings. Now that I have experienced a large number of them, I must say that they have far exceeded my expectations. Rotarians and their spouses have been extremely kind and appreciative. They have greeted me with open arms, talked to me, laughed with me, and just made me feel at home from the very first minute.

I went to these intercity meetings hoping to encourage Rotarians to continue their excellent work for our organization and to encourage less active members to participate more extensively in the future. I have mostly talked on Rotary topics that provide an international perspective. And I have listened. I have listened and learned what Rotarians want from Rotary leadership. This is of great value to all of us, because if RI leaders are to do good work in the boardroom, it is essential that we all know what the Rotarians want from us. They want a lot of things, but public image is one concern that stands out.

There is tremendous frustration among Rotarians that Rotary is often forgotten in the media. Rotary seems to be forgotten on a regular basis when the polio eradication initiative is mentioned in the media. Not always, but often. And Rotary is not just PolioPlus. It is so much more. It is Rotarians serving daily meals to children who otherwise would go hungry. It is Rotarians helping blind people tap into the digital world. It is Rotarians running orphanages for children who have no homes. It is Rotarians helping out in national disasters. It is Rotarians drilling water wells. It is Rotarians educating people to provide a foundation for a better life. The list can go on.

But we could do a better job in letting the world know what we are doing. That is why I have appointed a Public Image Resource Group, under the leadership of Rotarian Mary Margaret Fleming (District 5230, California, USA). This group has been very well received by Rotarians all over the world in helping us to tell the Rotary story. I have seen an improvement on the local level in our public image. Let us capitalize on this effort for years to come and let us together through *Service Above Self* continue to show the world the great leadership of Rotary International.

HL Rotary news:

- AUCTION UPDATE—keep turning in your procurements to your team leader. They are due by March 15 in order to be printed in the program. The auction theme is “pirates”. Tickets have been distributed. If you did not receive your tickets, please see Bob Pacella. Each Rotarian is expected to sell a minimum of 8 tickets or purchase them him/herself. Please turn in stubs and money as they are sold. All stubs and money are due by March 27th. And, of course, more tickets are available if you need more!
- Some “new membership” incentives are being discussed. One decision that has been made is prospective members will receive free lunch when they attend meetings. Spouses of members will also receive free lunch when attending meetings. More ideas to come . . .
- Every other week, members will draw numbers for random table assignments to encourage better membership interaction and networking.

HLHS Interact news:

- FUNDRAISER—Interact will be parking cars and checking coats at the Auction again this year.
