**HL Rotary news:**

- Auction update:** All procurements must be in by March 15th in order to be printed in the program. However, you must have your items procured from your last year's donors by the end of February, as the list will be open to all members after February 28th. *No procurements will be accepted after April 15th.* All Rotarians must procure at least \$500 worth of items. The procurement list and procurements forms can be found on the website at [www.hlrotary.org](http://www.hlrotary.org). Members need to fill out the Item Procurement forms in detail including the donor's name and address so that an updated donor address list may be made for the purpose of sending appropriate letters of gratitude. One form and one business card per item. Consignment items: Members may procure consignment items if they can guarantee that the Rotary Club will make \$500 or more from the sale of each item. Many buyers of consignment items are under the impression that their total purchase price goes to the Rotary Club, when in actuality only a portion does. Members should try to procure items that will be 100% profitable to the club, when possible.
